✓Fledglings

Record your bird song observations below.

Location: _____

Time: _____

How many different kinds of birds do you hear?

Do you recognize any of these? If so, what kind?

What other kinds of sounds do you hear?

Write one reason why you think a particular bird was singing. Explain why you came to this conclusion.

Think about your experience listening for birds. Do the number of birds you hear surprise you? Why or why not? (Hint: Think about where you are and what time of day it is). Write 2 sentences.
